HOW & WHEN TO TIP

*Tips are the most common way people show appreciation for their pet care providers. Most walkers and sitters live by the rule that tips are **never expected**, but **always appreciated**.*

When should I tip?

- Daily, weekly or monthly
- Around the holidays
- When the service goes above & beyond
- Anytime you'd like!

How much should I tip?

For daily dog walks:

- 10-20% is a good rule of thumb.

➤ **Pro tip:** For overnight stays, leave your sitter's tip at the start of the stay.

How do I tip?

- Many companies will take tips via any method they accept.
- You can also leave check or cash for when they arrive.

➤ **Pro tip:** Cash is almost always preferred!

LEAVING GREAT INSTRUCTIONS

Clear, concise instructions can make all the difference for walking visits and overnight stays.

For daily walks:

- Be thorough with providing information when hiring a new walker.
- Leave a note if there are any changes to your usual instructions or if there is different with the home or the pet to be aware of.

➤ **Pro tip:** Have a designated place where you and your walker leave any notes. They'll always know where to look!

For overnight visits:

- Think of any scenario your sitter should be prepared to handle and be thorough!
- Don't forget:
 - Emergency contacts
 - Security codes
 - Medication info
 - Feeding instructions
 - Brand of food
 - Normal schedule
 - Instructions for thermostat, TV, appliances, etc.
 - Your contact & trip info
 - Location of supplies
 - Vet contact info
 - Location of spare key
 - Allergies & sensitivities
 - Cleaning supplies

➤ **Pro tip:** There's no such thing as too much info. We'd rather have more than we need!
